MILWAUKEE, WISCONSIN

It appears that many hams are confused over ARPSC, NTS, AREC, MARS, RACES, RED CROSS, etc. In an effort to "unconfuse" the situation I offer the following explanation.

1. **A.R.P.S.C.:** Amateur Radio Public Service Corps is an organization set up by the A.R.R.L. in order to present amateur radio to the general public as a public service. Remember that the legal name of our hobby is: **Amateur Radio SERVICE.**
2. **N.T.S.:** National Traffic System is the traffic and longhaul wing of A.R.P.S.C.
3. **A.R.E.C.:** Amateur Radio Emergency Corps is the local emergency wing of A.R.P.S.C.
4. **M.A.R.S.:** Military Affiliate Radio System is a military backup system operated by amateurs but under the control and answerable only to the Air Force, Army, or Navy.
5. **R.A.C.E.S.:** Radio Amateur Civil Emergency Service is a communications system operated on behalf of civil (governmental) authorities by amateurs using amateur frequencies. Local Civil Defense plans specify that the amateur personnel shall come from the A.R.E.C.

## HISTORY

The Milwaukee Radio Amateurs' Club, Inc., was founded in January, 1917, by Loy Schell Hillegas-Baird and other local radio amateurs, for the purpose of banding themselves together into a non-commercial organization which could champion their cause and provide means whereby their knowledge of radiotelegraphy, radiotelephony, and allied subjects could be collectively increased.

In December, 1919, the Club became affiliated with and now constitutes the Milwaukee chapter of local section of the American Radio Relay League, Inc., which is a national non-commercial association of radio amateurs, (with executive headquarters at West Hartford, Conn.) bonded for the more effective relaying of friendly messages between their stations, for legislative protection, for orderly operating, and for the practical improvement of short-wave two-way radio communications. "Of, by and for the amateur," the League numbers within its ranks practically every worthwhile amateur in America and has a history of glorious achievement as the standard bearer in amateur affairs.

The club meets the second Thursday of each month at 8:00 P.M. at the Milwaukee School of Engineering, Ground Floor, 1020 N. Broadway, Room B-1.

services to the Red Cross during times of disaster. Each local Red Cross chapter is made up of committees and subcommittees and one of these is the Communications Subcommittee. Local chapters usually go to various professional communication agencies for members to this very important committee. We are very lucky locally in that every member of the Communications Subcommittee of the Milwaukee/Waukesha County Chapter is an amateur.

It is the present project of our new Wisconsin Section Emergency Coordinator, Sherman Carr W9NGT to have an Emergency Coordinator in each of the counties within the State. These "E.C.'s" are, as the name implies, COORDINATORS and they need the support of all individual hams and all amateur clubs and groups in order to keep our public service foot in the community doorway. The following are E.C.'s in the southeastern area of Wisconsin:

Jefferson County	W9NRP
Milwaukee County	K9KJT
Racine County	W9SZL
Rock County	WA9IZK
Washington County	K9OSK
Waukesha County	W9ZPV
Ozaukee County	WA9GDA
